

Legg Mason Australia Client Update

Real Income wins Rainmaker Award

The Legg Mason Australian Real Income Fund was recently awarded the "Best New Investment Product of the Year" at the 2011 Rainmaker Awards. It is a unique offering that aims to deliver a sustainable yield by investing in listed property, infrastructure and utilities – entities that can increase their own revenues in line with inflation.

New income solutions
with the right
growth assets

Over 29 years Legg Mason Australian Equities has progressively built a suite of solutions to match the needs of Australian investors. Our latest innovations, the Legg Mason Australian Equity Income Trust and the Legg Mason Australian Real Income Fund, are tailor-made for Australian retirees seeking income.

Legg Mason Australian Equity Income Trust invests in listed Australian shares and aims to provide a sustainable income for retirees with in-built inflation protection.

Legg Mason Australian Real Income Fund aims to achieve a sustainable yield by investing in listed property and infrastructure, as well as utilities – entities that can increase their own revenues in line with inflation.

Both funds externally rated.
